

November 2, 2023 - Atlantis HOA Annual Meeting

Notes taken by Eric Kempton

Board members in attendance: Christy McDaniel (Member at Large), Eric Kempton (Member at Large)

Community members in attendance: Richard Nelson (Resident)

We noted that we understood there to be 8 potential proxies and the 3 in room which did not meet the 1/10 th requirement of the total residences (Is it 254?)

Due to the lack of quorum for the annual meeting, we opened for general discussion.

Richard Nelson mentioned a suspicious truck leading up to the car thefts that occurred.

No Budget was presented.

We mentioned potential topics for the rescheduled annual meeting:

Budget options, Ahoy future, improved communication, general thoughts to make the community better.

The meeting adjourned at 8:20 pm.
